A Mind That Found Itself by Clifford Whittingham Beers

At once a classic account of the ravages of mental illness and a major American autobiography, *A Mind That Found Itself* tells the story of a young man who is gradually enveloped by a psychosis. His well-meaning family commits him to a series of mental hospitals, but he is brutalized by the treatment, and his moments of fleeting sanity become fewer and fewer.

A Mind That Found Itself by Clifford Whittingham Beers

itself is proved by the fact that my memory retains an impression, and an accurate one, of virtually everything that befell me, except when under the influence of an anaesthetic or in the unconscious hours of undisturbed sleep. Important events, trifling conversations, and more trifling thoughts of my own are now recalled with ease and accuracy;
