Like coloring, zentangle art is easy to do and offers a relaxing way to engage in art-making. Rather than filling in someone's drawings, however, you are the one producing the patterns. Rick Roberts and Maria Thomas are the founders of the Zentangle Method, which is the foundation that the activity is built on.

Zen Patterns and Designs: Coloring for Artists (Creative

Gorgeous designs, that after you see an example of each design, colored, at the beginning of the book, makes the designs even more appealing. Getting to see how the pictures could look is cool. Quite a few designs are simple and quick to color, others more difficult. I was given a copy of this book for an honest review.
